

“LOST TREASURE REDISCOVERED”

~NATIONAL CATHOLIC REGISTER BOOK PICK, MAY, 2021

Month of Saint Joseph For the Children of Mary

(originally published in 1888, reprinted by Penitence Press)

“The book proves to be ageless, with its short meditations for each day of the month. While the reflections are for each day of St. Joseph’s month of March, they are timeless and perfectly fit any month... ‘It is written as a smaller devotion for the busy modern even back then; it is not great in length, just in theological thought,’ explained (Marie) McGrath, who edited and published the book.”

~Joseph Pronechen, National Catholic Register

Let the universal Church say; let every man, woman, and child on earth cry out: “Hail Joseph”, “Ave Joseph”, “*Ite ad Joseph*”, “Go to Joseph!”

O, Defender of the Head and Body of Christ, terror dæmonum; ora pro nobis. Amen.
